The second speaker in our 2020 series of Lenten Talks will be Mr. Gerry Forde.

The Great Green Wall - We must dare to invent the future.

Growing a Great Green Wall across the continent of Africa from Senegal to Djibouti is a project of epic proportions. What is it? What does it aim to achieve? Can it succeed?

Having lived and worked in Africa and the UK for twenty three years, Gerry Forde returned to Ireland in 2004. Since then he has worked with the SMA, first as Co-Ordinator of Cois Tine, a project supporting African Asylum Seekers and Refugees and since 2010 as the SMA Justice Officer. In this role he has, in co-operation with other SMA Departments, groups and organisations, worked to raise awareness of various justice issues and to promote a Christian response to them. He has been instrumental in developing SMA resource materials and programmes promoting social and climate justice, for example the *Living Faith Means Living Justly* film series, the *Thumbprint Campaign for Climate Justice* and more recently support for the *African Great Green Wall Project*.

Date: Tuesday, 10th March at 8.00pm

Venue: The Crypt, Church of the Descent of the Holy Spirit, Dennehy's Cross, Cork.

Each talk is about 45 minutes, followed by questions and answers. You are then welcome to stay for a chat over a cup of Fairtrade tea or coffee.

All welcome !
