## News from Kalemunyang, Turkwel

We are delighted to bring you more good news from Turkwel. We reported to you in February that Sr. Pascalia had identified a pressing need for a new kitchen and storeroom to service the new maternity unit. This week, she sent us photographs of the completed building. We will give you a detailed update when we receive the final financial report, which is expected shortly.

We told you of the birth of quads in the Bulletin dated 25<sup>th</sup> April. We received these beautiful photographs of the babies this week, now aged 21 weeks. They are obviously thriving!

## PARISH BULLETIN

The Parish Bulletin is available **weekly** on the Parish Website: [\\_](#) or can be e-mailed by forwarding your e-mail address to the Parish Office.

Sr. Pascalia is a member of the Kenyan Sisters of Mary of Kakamega. Since our relationship with Turkwel began in 2005, she has worked in Lorugum Health Centre and has also run the Kalemunyang Clinic. It was her dream to build a maternity unit there, and it was she who inspired us to raise the funds, oversaw the design, interviewed and appointed the successful builder, and supervised every stage of the building, equipping and commissioning of the maternity unit and the kitchen.

We warmly congratulate Sr. Pascalia on the recent celebration of her Golden Jubilee. Having given 50 years devoted service, she is now retiring from active ministry. She has asked us to remember her in our prayers, especially on 8<sup>th</sup> October when a special thanksgiving Mass is being celebrated at her home. May God bless her as and grant her a long, healthy and happy retirement.
