Bishopstown Tidy Towns Committee erected flower baskets on the church railings on Wilton Road and Model Farm Road last year. Now that the growing season is here, they need volunteers to keep the baskets watered. There is a water butt at the side of the church, and a tap outside the parish office, so all you need is a suitable container for filling and pouring. No heavy lifting or digging, and no great horticultural skills necessary!

If you would like to help, please contact Clare on 087 6492554.
