A CREED FOR THE SOWING OF SEEDS

We believe that the Word of God has many times been planted in our lives, often because of another who received the seed in ready soil, brought forth a harvest and shared that goodness with us.

We believe that the call to be a sower of the Word is a privilege and blessing, that no one can ever earn the right or claim the duty, that it is freely given and a ministry to be constantly celebrated in gratitude.

We believe that great things can come forth from even the tiniest seed planted in love and cared for tenderly in the heart of another.

We believe that even the most insignificant aspects of life can be the seed of God's gifting, that deeper faith can root and mature in very ordinary soil.

We believe that some dying of seed has to take place before it can give itself over to life, that every heart has its germination time, its dark moment, before the future blessing of harvest comes.

We believe that it takes much patience to sow a seed, to freely give it away to the heart of earth, to allow it to take root in its own good time.

We believe in the Sower of all seeds, in the giver of all good and growing things.

Creation Matters - "Seed Sunday" 2023

After Masses this weekend, we invite you to take home **free** seeds of easy to grow vegetables, herbs and flowers. You will be invited to bring some of your home-grown produce to a special Harvest Thanksgiving Mass and Bring and Buy event in September. All the proceeds from this will again go to our sister parish in Turkwell. **Faith in Action Group**
