### Letter from Tiberius

Greetings to you all from Galilee in northern Israel where we arrived very early on Wednesday morning. After a few hours rest, we visited Nazareth and I offered Mass very close to the original place where the Angel Gabriel brought the heavenly message to Mary. Nazareth is a great Christian site and later we visited the site of Joseph's Workshop deep underneath a church built there. I learned one important thing about Joseph; his work was not confined to carpentry, he was a builder with stone as well. It partially solved a mystery for me: why did Jesus never refer to Joseph's carpentry in his message? But he did refer to stonework, to the cornerstone and how much we are God's building. You learn something new every day!

We are 33 strong group, from the L'Arche Community founded as a community of those living with intellectual disabilities and their assistants. Our group consists of board members, House leaders, residents and a multi national group of assistants. These come from Germany, France, Poland, USA, living in different houses in Cork city, Dublin, Kilkenny, and here we are...in the Holy Land! In the footsteps of Jesus. We hope to meet a small L'Arche group resident in Bethlehem while we are here.

We have been very lucky with our leaders and couriers while we are here, truly dedicated, selfless and loving, and everyone is playing a part. Off we left, all of us, very early this Thursday morning to the Mount of Beatitudes, then the site of Feeding of the Five thousand, the place where Peter was declared "rock" by Jesus, the lake where he stilled the waters and appeared after his resurrection while his disciples fished, the Synagogue where he preached, and lastly the River Jordan where we went into the muddy waters and renewed our baptism.

Greetings to our Spioraid Naoimh and Mount Mercy pupils doing exams, to Father Tom and Father Dan, and later Bishop Noel, and you our parishioners...all in my thoughts while I am here

Next week from Bethlehem and Jerusalem. Shalom!

Fr. Donal
