Some Thoughts

I thought I would give you an overall picture of our parish at this time. You will know a lot of this already, but no harm to put it all together.

We are part of a family of four parishes that meet regularly.

The priest no longer calls door to door but will do so on individual request and, of course for people on his list for visiting.

The Home Team that I occasionally refer to consists of Fr Tom, John, Betty, Brigid, Kathleen, and Trish in the Office. Fr Dan has begun to join us also.

To this team is joined a number of wonderful volunteers, cleaning, collecting, decorating.

The Bulletin is reaching a limited number of homes; if you have ideas how to improve this, let us know.

We have a small, but spirited, Liturgy team. We need some more to join.

The Faith in Action group also seeks new members as it leads in environmental and education matters, as well as maintains our missionary link with Kenya.

We have just welcomed three new Ministers of the Word and two new Ministers of the Eucharist.

We have a new child protection Officer.

We have eight altar servers and four in training.

Our new Parish Council needs 2 to 3 further members.

We must form a new Finance Council to oversee the parish business; anyone with accounting and business skills would be most welcome.

We have parents from both schools who are helping in the preparation of their children for the Sacraments.

We have no Baptism Preparation Team.

We have no RCIA team to prepare would-be Converts.

Our Funeral Team, which does sterling work, needs two new members.

Perhaps you might see yourself in one of these groups; we would love to hear from you.

This weekend marks the first miracle of Jesus, 'he let his glory be seen and his disciples believed in him'.

May the glory of God continue to surround our parish.

Next week I hope to outline some ideas we have for our parish for 2025.

Fr. Donal
